

Forget me not

Newsletter

February 2010

Homes 15th Birthday

The home had its 15th Birthday party on the 25th of January.

We were joined by residents from Boulters Lock Home and had a lovely afternoon singing and dancing.

We also had a lovely cake baked by Marilyn.

West wing outing

Molly, Joyce, Kathleen and Gladys went to the west wing center to watch a show. They all had a lovely evening and we will try to arrange another visit soon.

Dementia Training

All staff had now received a training course on Dementia.

They were joined by most of the residents who listened in earnest and are now also fully trained in this area!

New Boiler

The new boiler has been installed but we still need some wiring to be completed. This should be finalised by Saturday the 6th of February.

(fingers crossed)!

Goodbye Poppy and Hello Hannah

We are sad to announce that Poppy has left us for pastures new. She has promised to keep in touch and we will all miss her. Taking over her shifts is Hannah and she has already proved to be hardworking and we would like to welcome her to Forget Me Not.

Visit to Boulters Lock

We will be visiting our friends from Boulters Lock on the 3rd of March at 3 pm. Please see Shirley or Tania if you would like to come.
