July 2009

Speaking to Lisa's mum in Bulgaria using Skype provided entertainment to the residents. They were amazed at the changes in technology and its versatility.

They were also able to view photos from Ascot and Barcelona due to connecting the laptop to the new TV.

AGE CONCERN Advocacy Service

Age Concern Slough has received funding for to provide advocacy for older people in care homes. This is the first time they have ever had funding for this important work.

This service is free of charge to older people in care homes in Slough.

For further information visit <http://www.ac-communities.org.uk/Slough/index.cfm?id=1451>

PLASMA TV

Forget me not has installed a new plasma TV which has proved to be very popular among the residents.

The quality of the picture and sound makes it much easier for residents to see and hear.

Residents have enjoyed watching Ascot and Wimbledon on the new TV, especially as they can see it without moving chairs.

GARDEN PARTY

The residents would like to invite their family and friends to join them for their annual garden party.
