NEW DINING ROOM CARPET

New carpet in the dining room was professionally laid on the 18th September. Residents participated in choosing the carpet, although they chose red with swirls, it was not possible to buy that colour in the hard wearing carpet section.

The residents have made positive comments on the new carpet

CONGRATULATIONS

Shirley Fairley (Manager) and Tania Pell (Proprietor) have both received their certificates in Health and Social Care NVQ level 4. Their next goal is to complete Registered Managers Award to meet registration requirements.

Rest In Peace

RIP- Jessie Pittaway

Our sincerest condolences go out to the family and friends of Jessie Pittaway who passed away in September.

Jessie died comfortably and peacefully due to the outstanding team efforts of both the care staff and local District Nurses.

Family and friends have sent some wonderful cards of thanks to Forget me not staff, which are pinned up on the notice board for all to see.

May Jessie rest in peace
